Director's Message

Welcome to the June edition of our newsletter!

We have made significant advancements to the civils work in the resort and we are moving rapidly towards the upwards construction stage. This part is incredibly exciting as we start to see the lay of the land and gear ourselves up for the fantastic community that will reside here.

Do get involved with our many upcoming social events. These are a great way to get to know your future neighbours and meet new, like-minded others who are excited to get into the GemLife swing of things. If you'd like to come along, get in touch with Sales Manager, Julie Cahill for all the latest news and events.

Sales Manager's Message

What a month we've had!

We now boast approval for the front gate and entrance in Mount Macedon Road, which means that once completed, construction can start on the Manager's Residence, country club and display homes. Plans have now been finalised, so please do get in touch for updated plans.

We recently had our May luncheon which was a great success with our ever growing number of homeowners getting a chance to meet each other.

We now only have 20 home sites left for purchase in Stage 1, so now is your last chance to put a deposit down before you miss out on the chance of a lifetime.

ONE THOUSAND DOLLARS

A fine drop

Recently, the GemLife Woodend team headed to the Macedon Wine Collective for lunch where many intriguing discussions were had about the latest construction news at the resort.

These events are great opportunities for you to get to know your potential future neighbours and really experience what it's like to be part of such a close-knit community. We run regular events, so if you'd like to get involved in the future, just give our Sales Team a quick call!

Welcome home!

We would like to extend a big welcome to our new deposit holders this month!

After hearing about our wonderful community from friends who have previously deposited, Bob and Margaret from Sunbury visited us – and just happened to arrive at the same time as Geoff and Anne from Vermont South. Both couples were very excited to discover more, and after checking out the position of their respective chosen blocks, made their deposit the very same day!

From left: 1 Geoff and Anne drove all the way from Vermont to visit! 2 Bob and Margaret looking pleased with their chosen block.
