# Director's Message

2018  
Happy New Year

Welcome to the year 2018!

I am so excited to be kicking off another new year with a great family here at GemLife Bribie Island.

I hope you enjoyed the Christmas break and ate lots of delicious Christmas food with friends and family.

Construction of the country club has commenced after a well-deserved few weeks off for the hard working tradies. We are so excited to be a few steps closer to its grand opening.

I am also proud to announce the release of our Stage Two Development happening shortly.

I hope you enjoy your upcoming Australia Day festivities and have a great new year!

Yours sincerely,  
**Adrian Puljich**  
Director & CEO, GemLife

# Summer Bucket List

The summer heat may be unbearable for some of us, but for those who want to make the last few weeks of the season count, try out these five to do's that can be ticked off the bucket list.

**1 A Beach Trip:** With the ocean sand basically at our doorstep, and the weather being so glorious, a beach trip (or a few) is a must! Invite the grandkids down for a day in the salty sea air, followed by the Aussie classic fish 'n' chips for tea.

**2 Aussie BBQ:** It would be a crime to not take advantage of the late summer nights and have a few beers with your neighbours. Bring them over and cook up some prawns, steaks and salads and enjoy the warm breeze.

**3 Throw a Line:** Fishing is one of those must do bucket list activities and thankfully Bribie Island is home to some of the most popular fishing

spots in South East Queensland. Travelling just down the road to Bongaree Jetty will provide you with a variety of fish to catch.

**4 Have a Picnic:** Grab all your favourite foods and pick a nice shady spot under a tree at the local park. Whilst the heat may turn you off being outside, this is the season to soak up as much of that fresh breeze and enjoy the finer things in life.

**5 Try Something New:** Whether it be jumping out of a plane, riding a motorcycle for the first time or eating a spicy cuisine, now is the best time to do something you have never imagined doing before.

**GemLife Bribie Island resort promotes active and healthy lifestyle living where you can meet like-minded others. For more information, call the Sales Manager on 1800 193 177 or email: [glenys@gemlife.com.au](mailto:glenys@gemlife.com.au)**

## GemLife Shuttle Bus

Our GemLife resorts are always placed in convenient locations that are close to shops and local amenities – so much so that you can often just walk to them. For those who prefer to stay out of the beaming sunshine or perhaps have one too many shopping bags to carry – GemLife offers a state-of-the-art Mercedes Sprinter shuttle bus.

This 12 seater bus is available for our residents to book whenever they want. To be a driver of the bus, all you need to do is fill out a few forms and await a short approval period (approximately two weeks for insurance purposes) and from that point on, you can drive the bus whenever you wish.

Say a group of you decide you'd like to go on a cinema trip together, simply book the bus and it'll be at your service – all you do is split the cost of diesel between you! It's that easy!
